Our History

The Gino's story began in 1966 when two taxi drivers and a friend, frustrated with rush hour traffic, decided to open a pizzeria just off of Michigan Avenue on Superior Street. The rest is history. The Original Gino's East became an instant legend with local Chicagoans, national celebrities and visitors from around the world who knew that standing in line for a taste of Chicago's original deep dish pizza was worth the wait.

Gino's East deep dish pizza tastes the same as it did back then, but it looks a little bit different every time because each one is hand-made. These legendary pizza pies are brought to the table in enormous, well-seasoned pans loaded with the freshest ingredients surrounded by Gino's East's famous golden crust.

Wanting a place to call their own, customers began to scribble their Gino's East memories across the wood and stucco walls throughout the restaurant. Today, you can still leave your mark and enjoy the World's Most Celebrated Pizza, knowing that wherever you go, someone loves...
